

# Sandoz Pharmacy Partner Program

Driving an enhanced  
pharmacy-led experience  
for your HYRIMOZ patients.

## What is the Sandoz Pharmacy Partner Program?

The program allows pharmacists across Australia to provide additional support and information for their HYRIMOZ patients through the MedAdvisor (PlusOne) console – **HYRIMOZ Pharmacy Care**.

Your pharmacy will be reimbursed for the time spent in the provision of these services to patients.<sup>^</sup>

**HYRIMOZ Medicines by Injection Service\***  
Administer HYRIMOZ for your patients in the pharmacy.

**\$18** for every  
completed service

**Patient Support Program Pre-enrolment**  
Pre-enrol HYRIMOZ patients into the Startz Patient Support Program (PSP).

**\$20** for every  
completed service

**Quality use of medicines**  
Discuss the HYRIMOZ quality use of medicines (QUM) with your patients using the resources from the HYRIMOZ Pharmacy Care program.

**\$20** for every  
completed service

\*Where state legislation allows and all accreditation is met.

<sup>^</sup>Payments will be made to your pharmacy every month – pre-enrolment services may be provided only one time to each HYRIMOZ patient.

## The program is available for all pharmacies using the MedAdvisor (PlusOne) console

If your **PlusOne pop-ups are enabled**, then the HYRIMOZ Pharmacy Care service will be automatically available.  
**Click on 'HYRIMOZ Pharmacy Care' in the pop-up.**  
This will direct you to the patient's details screen within the *Record Services* section of PlusOne.

If your **PlusOne pop-ups are disabled**, you can access the HYRIMOZ Pharmacy Care service via your patient's PlusOne profile under 'Service'.
